601 4th Avenue South
Nashville, TN 37203

What is the EMS Star of Life?

The EMS Star of Life event is designed to honor the accomplishments of EMS personnel from all regions of Tennessee who provide exemplary life-saving care to **adult and pediatric** patients. The goal of the award is to recognize exceptional front-line care, with a focus on agencies and providers who are the initial care responders. The ceremony will include a presentation of the actual adult or pediatric patient scenarios and reunite the EMS caregivers with the individuals they treated. Recipients will be chosen from each of the eight EMS regions in the state. This is the premier event that will kick off EMS week within the state to recognize and honor our excellent prehospital providers.

Nominate an EMS provider!

If you know a rescue or medical team that merits consideration as the regional recipient of the EMS Star of Life Award, please complete the nomination packet that follows and return it to the TN EMSC office by **February 9, 2015**.

****Note:**

The nominating crew will be disqualified from receiving the Star of Life Award if the nominated crew has been recognized for this call in a prior ceremony that would prevent them from attending the Star of Life Award Ceremony.

Tennessee Emergency Medical Services for Children Foundation takes great pleasure in sponsoring the seventh annual:

Please explain why you think the *EMS Star of Life Award* should be given to the nominees:

This call highlights teamwork for various agencies working together to save a life. It is a rare opportunity to have a successful resuscitation of a pediatric patient. The extreme dedication displayed by each member of this team paid off for Addilyn. The system worked on this call, from dispatch, first responders, EMS and the advanced care and air medical transport to Vanderbilt Pediatrics Emergency Room. This team never gave up, even when all odds were against them they continued to work and it was successful.

For these responders to reunite with Addilyn was priceless, the night of the presentation there was joy and smiles that filled the court room. Once the responders and family got to meet there was not a dry eye in the room. It was an amazing event that most EMS provider never get to experience. The family was so thankful and the responders told them over and over there was not need to be thankful their thanks was seeing Addilyn that night laughing and being the center of attention.
