## *What is the EMS Star of Life?*

The EMS Star of Life event is designed to honor the accomplishments of EMS personnel from all regions of Tennessee who provide exemplary life-saving care to **adult and pediatric** patients. The goal of the award is to recognize exceptional front-line care, with a focus on the agencies and providers who are the initial care responders. The ceremony includes a presentation of the actual patient scenarios and reunites the EMS caregivers with the individuals they treated. Recipients will be chosen from each of the eight EMS regions in the state. This is the premier event to recognize and honor our excellent prehospital providers while also celebrating “EMS Week” within Tennessee.

## *Nominate an EMS provider!*

If you know a rescue or medical team that merits consideration as the regional recipient of the EMS Star of Life Award, please complete the nomination packet that follows and return it to the TN Emergency Medical Services for Children (TN EMSC) office by **February 08, 2016.**

### **\*\*Note:**

The nominating crew will be disqualified from receiving the Star of Life Award if the nominated crew has been recognized for this call in a prior ceremony that would prevent them from attending the Star of Life Award Ceremony.

The TN EMSC Foundation takes great pleasure in sponsoring the eighth annual:

## *EMS Star of Life Awards Dinner & Ceremony*

The **EMS Star of Life Awards** is designed to:

- ❑ **HONOR** exceptional EMS personnel from each of Tennessee's eight EMS regions.
- ❑ **RECOGNIZE** Tennessee's emergency medical services systems and organizations.
- ❑ **REUNITE** EMS providers with the person treated and highlight the actual patient scenario.
- ❑ **GENERATE** positive media stories regarding prehospital care and the *EMS Star of Life Award*.
- ❑ **MAGNIFY** the profile of National EMS Week in the state of Tennessee.

The Star of Life Awards Committee reviews nominations and selects winners from each region based on the EMS provider's service to his/her community and commitment to saving the lives of his/her patients. In order to ensure that all qualified EMS providers are considered, we are asking for nominations for recipients of this prestigious *EMS Star of Life Award*. Please note the nomination qualifications:

- ❑ The patient encounter must have occurred during the calendar year of 2015.
- ❑ The patient can be of any age – adult or pediatric.
- ❑ The patient must be neurologically intact.
- ❑ Standards of care (protocols) are followed.
- ❑ The patient EMS run sheets and aeromedical documentation will be submitted and reviewed for completeness.
- ❑ All requested information **must be submitted** in order for the award to be presented.

If you know an EMS provider(s) who merits consideration as the regional recipient of the *EMS Star of Life Award*, please complete the forms enclosed and forward the appropriate information to the TN EMSC office. **Please note: It is important to have the patient sign the release form before you submit this information in order to release you and TN EMSC from any liability for reviewing these records.** Also, it is our desire to have the patient reunited with the EMS providers at the ceremony, so please discuss this with the patient and encourage them to attend with their family. Once all nominations are reviewed, the EMS Star of Life Awards Committee will notify you if your EMS personnel have been chosen.

**The deadline for nomination submissions is February 8, 2016.**

Thank you for supporting our efforts to honor and recognize the state of Tennessee's exceptional EMS providers! If you have any questions, feel free to contact Program Coordinator, Erin Davis [erin@tnemsc.org](mailto:erin@tnemsc.org) or call 615-936-5274.
