**Recommended:** ProBoard testing for certification requires an Awareness level course that meets Chapter 4 of the NFPA 472 Standard (2008). The preferred course to meet this requirement is the TEEX online course AWR-160-W available at [www.teex.org/nerrtconline](http://www.teex.org/nerrtconline) or the AWR-160 (TEEX Course # OGT-208) Standardized Awareness Training mobile delivery course.
